

## NARBERTH FOLKS HEAR NOTED FINNISH WOMAN

Main Line folks, including many residents of Narberth, are greatly indebted to Miss Mary K. Gibson, of "Maybrook," Wynnewood, for the privilege of hearing Madame Aino Malmberg, Finland's famous champion against Russian aggression, speak on "Woman Suffrage in Finland," last Friday evening. The address was delivered in the handsome and commodious ball room of Miss Gibson's residence, before an audience of about 500 people. The speaker was introduced most happily and wittily, by Miss Mary Winsor, of Haverford, of The Philadelphia Woman Suffrage Committee, and vice-chairman of the Suffrage Parade Committee.

Madame Malmberg, who was attired in Finnish peasant costume, held the close attention of her auditors in a brilliant address, for upwards of an hour. She began with a brief historical sketch of Finland, from the date of its annexation by Russia at the conclusion of the war with Sweden, of which latter country it was originally a part. At that time, Finland had no literature nor art. Through the efforts of Dr. Elias Lönnrot, who familiarized himself with the folk-lore and folk-songs of the people, which he noted were all connected with heroic episodes in its ancient history, a great national epic, the Kalewala, was produced in 1835. This epic has since become the foundation of Finland's national ideals, and reflects its striving for a higher place in the family of nations. A literature was gradually developed, and with a splendidly organized system of public education, the percentage of illiterary was greatly reduced, being now only six-tenths of one per cent. Madame Malmberg graphically described the granting of autonomy to Finland by the Czar Alexander, in 1809, and vividly pictured the despair of the people when this privilege was without warning taken away, in 1899, for a period of six years. Then the whole nation, spontaneously and without much pre-arrangement, feeling that the hour had come, stopped all activities by means of a national strike, sent a deputation to the Czar, with the result that autonomous government was at least partially restored.

**Women Still Love Their Homes.**

Woman Suffrage was adopted in 1906, when all women over the age of 24, excluding paupers, received the right to vote. It has proven a pronounced success. The speaker expressed surprise that here in the United States she found the same old, hackneyed and worn-out arguments used by anti-suffragists, that have long since been relegated to the dust-bin in Finland. She realized, however, that there could be no new arguments, and let it go at that. The women of Finland have not given up their place in the home, and children have not suffered a particle because of their mothers' participation in the ballot. About ten per cent. of the members of the Finnish Diet are women. The general effect of Woman Suffrage has been uplifting. "Graft," so generally prevalent in this country, is practically unknown there. If such a thing should occur, the punishment would be extremely severe. The traffic in liquor is under stringent government control. Through the efforts of women, the age of consent has been raised several years, and social purity is at a high level. In short, nothing but good has resulted from the adoption of equal suffrage for men and women.

**Pleads for Small Nations.**

Madame Malmberg made a strong appeal in behalf of the smaller nations of Europe, when the time comes for

(Continued on Fourth Page)

Well! Well! Well! Look who's hear! Once more before the public, after saying "never again." We have induced Maurice Du Marlas, Narberth's famous comedian, to once more appear for a good cause—Narberth base ball team. What is his act? Well, we can not enlighten you at this time. Only at Elm Hall, May 7 and 8.

## GETTING READY FOR THE FLOWER SHOW

### Changes In Some Classes

With the date for Narberth's first Flower Show little more than a month distant, anticipation is becoming pronounced among the ranks of our local gardeners. The warmest April in many years has advanced plants rather beyond the average and given rise to the fear that early June may find many of our most beautiful perennials on the wane. This may prove a blessing, however, to those who have newly-planted gardens and who are hoping to have blooms enough to carry off prizes at the show.

The list of classes open for competition is sufficiently generous to provide a first-class opportunity for every gardener—expert or novice, to secure a prize. The classes will be about as follows:

- Class 1—Best vase white roses, not over 6 blooms.
- Class 2—Best vase pink roses, not over 6 blooms.
- Class 3—Best vase red roses, not over 6 blooms.
- Class 4—Best vase yellow roses, not over 6 blooms.
- Class 5—Best vase climbing roses, one color, any number.
- Class 6—Best vase climbing roses, mixed, any number.
- Class 7—Best vase peonies, white, 3 blooms.
- Class 8—Best vase peonies, pink, 3 blooms.
- Class 9—Best vase peonies, scarlet, 3 blooms.
- Class 10—Best vase peonies, mixed, any number.
- Class 11—Best vase delphinium (larkspur) light blue, 6 stalks.
- Class 12—Best vase delphinium (larkspur) dark blue, 6 stalks.
- Class 13—Best 6 blooms columbine, single.
- Class 14—Best 6 blooms columbine, mixed colors.
- Class 15—Best vase Canterbury Bells.
- Class 16—Best vase Sweet William.
- Class 17—Best vase Foxglove.
- Class 18—Best vase Iris, any color.
- Class 19—Best vase poppies, any color.

(Continued on Second Page)

### W. H. CARMINT IN RECITAL.

W. H. Carmint, tenor, who has pleased several audiences in his home town, will be heard in a recital in Griffith Hall, 1420 Chestnut street, Philadelphia, on the evening of May 13, at 8.15 o'clock.

Mr. Carmint will be assisted by Dorothy Johnstone Baseler, harpist, and Clarence Scott Pedrick, at the piano.

Mr. Carmint has given generously of his time and talent to benefit local causes and deserves the loyal support of Narberthites.

### Boys, Come to Special Camp Meeting.

Several Narberth boys have already expressed a desire to go to the new Y. M. C. A. Camp—Camp Tohickon on the Delaware. How about you? Next Saturday morning, May 8, at 9.30 o'clock there will be a special camp meeting at the Y. M. C. A. building. Come with all your questions and get full details. Mr. Hampton is going to visit the camp site on Friday and will be ready to answer all questions.

Blackface comedy, A. la Dumont, made famous in Narberth by our own George Rose and Walt Wright. Hear George sing "Southern Hospitality," in his usual way. Walt Wright, "On the 5.15," will surely make a big hit. We offer \$5000 in real Chinese money to any amateur who can beat them. Elm Hall, May 7 and 8. Base ball team benefit.

### UNCLAIMED LETTERS.

Letters addressed to the following named persons remain unclaimed in the Narberth post office:

Rosario Leatto fu Domenico, Pietro Rosatelli, Grover Becker, Mrs. Sydney Graff, Mr. James Lomax, Andrew Henson, Mrs. Mary Cocker, Mr. Louis Crude.

Edward S. Haws, Postmaster.

## DISPOSAL COMMITTEE GIVES FINAL INSTRUCTIONS FOR CLEAN-UP COLLECTIONS.

May 7 and 8 will be collection days at the end of clean-up week.

The Disposal Committee feel that, judging by the experience gained during the three-day collection last year, they should be able to fully compass the work in two days this year.

This result can be achieved, however, only with the hearty co-operation of the good citizens and housewives.

If absolutely necessary, the collectors will go into cellars for what is to be taken away, but if you would facilitate matters you will pile your rubbish on the front curb—or at least in the back yard where it will be easy of access.

If you keep your rubbish out of sight, you should advise the committee by telephone (616 W) or by mail (P. O. Box 820), or the owner of the waste material should keep a look out for the collection teams which will patrol the streets all Friday and Saturday.

This year the committee will not attempt to salvage saleable waste, but will introduce an innovation by helping a worthy institution that makes its chief source of revenue out of household wastes—the Volunteers of America. Colonel C. C. Herron was glad of the opportunity of sending his teams out here to gather the salvage just as quickly as it comes to the disposal ground.

This organization knows how to repair and make useful to the needy the many things most of us consider utterly useless and they convert paper, metal, etc., into bread and butter or good cheer of one kind or another for Philadelphia's human derelicts. Put out something that will help these useful rescue workers as you rid your house or grounds of stuff that you are glad to have hauled away to be burned or buried.

Give your stuff only to wagons bearing Clean-up Day placards—putting out any kind of material except ashes or garbage (the borough takes these at regular intervals.)

The Borough Highway Committee has most willingly consented to co-operate with the association and will give its entire equipment and force for the two days. The association will, in addition, hire several teams and helpers.

## CONTRACT FOR PARK WORK TO BE AWARDED WEDNESDAY NIGHT.

The Park Development Committee met Monday evening to consider and compare bids for the work on the new park.

Notices had been sent out to the effect that all bids must be in on or before Monday at 4 P. M. After a general discussion, it was decided to call for revised bids in certain respects and James Artman was appointed to attend to this detail and report at an adjourned meeting Wednesday evening, at which time final action would be taken. We go to press too early to be able to announce the name of the successful bidder.

Under the terms of the contract, work is to be begun at once and completed at the earliest possible date.

A number of lot subscribers have announced their intention of beginning to build as soon as the park work is under way.

## OF INTEREST TO EPISCOPALIANS.

Many citizens of Narberth do not know that there is an Episcopal Church very near the town where everybody is cordially invited to come and worship.

This little church is known as All Saints' Protestant Episcopal Church, Wynnewood, but is located just outside the line of Narberth, at Montgomery pike and Wynnewood avenue.

Dr. Burke, the rector, would be very glad to have every Episcopalian in Narberth attend the services and become a member of All Saints' Church.

## MILO

? ? ?

will positively appear at Elm Hall, May 7 and 8. Gorgeous costumes.

## NARBERTH OPENS BASEBALL SEASON BY WINNING FROM GULPH MILLS

**GAMES FOR SATURDAY, MAY 8.**  
Dun & Co. at Narberth.  
Paoli at Overbrook.  
Gulph Mills at Wayne.

### Main Line League Standing.

|                 | Won. | Lost. | Pct.  |
|-----------------|------|-------|-------|
| Narberth        | 1    | 0     | 1.000 |
| Wayne           | 1    | 0     | 1.000 |
| Overbrook       | 1    | 0     | 1.000 |
| Gulph Mills     | 0    | 1     | .000  |
| Paoli           | 0    | 1     | .000  |
| R. C. Dun & Co. | 0    | 1     | .000  |

### THIS IS BREEDING TIME.

The fight is now on in earnest. What has been said during the winter about killing flies and mosquitoes was preliminary to the outdoor campaign. In spite of all that could be done enough breeders lived through the winter to repopulate the neighborhood.

"Clean-up" week is your opportunity. It is surprising how many little rubbish heaps you can find in your own back yard. Each of these will appeal to the flies as a breeding place, and the one fly that escaped from your house will multiply into millions before the season ends.

There is no secret or mystery about fly elimination. It is simply a case of destroying the breeding places and all we can hope to do is to keep on saying this until you get busy. Dead grass, leaves, or rubbish of any kind in a pile where it decomposes, will prove a menace to the community. It is high time that all such material was carted away or destroyed. Such action will not only reduce the insect pests, but improve the appearance of your premises. The owners of houses or other animals should be particularly careful and, in addition to a thorough cleaning up every few days, should use disinfectants which will kill the eggs and keep the flies away. Commercial rock phosphate is effective and cheap and should be used very freely over all the usual breeding places, in the proportion of one pound to every five square feet of ground area.

The mosquitoes should also suffer as the result of Narberth's "clean-up" week. The removal of cans, bottles and other receptacles which hold water and serve as breeding places, should at least drive the mosquitoes to natural sources of standing water. Our town is comparatively free from the latter, and probably most of our mosquitoes breed in the water which accumulates in small receptacles. Where the containers cannot be removed or the water drained away, kerosene or petroleum of sufficient quantity to cover the surface of the water with a thin film will prevent the mosquitoes from breeding.

Don't consider this matter a joke, or a job for the other fellow. Other communities have made themselves more comfortable and eliminated the menace to health caused by the existence of flies and mosquitoes.

Show your civic pride and your interest in your own welfare by doing the simple things recommended. In an intelligent community it should not be necessary to say the same thing more than half a dozen times.

E. A. Sterling.

### WILL YOU DO YOUR SHARE?

**To Help Make Clean-up in Narberth a Genuine Success?**

Get all your rubbish together and have it ready for the collector next Saturday. Put everything in boxes and barrels. Keep papers and magazines in separate bundles, and metal, rubber goods and bottles in separate boxes.

Clean up your own grounds, and if there is a vacant house or lot next door to you, straighten things up there a little bit.

Sow grass seed and plant flowers and brighten up with paint and whitewash.

Why all this fuss about Clean-up? Because cleanliness makes for health, reduces the fire risk, makes Narberth pleasanter for its citizens and more attractive to outsiders.

Narberth's speed boys—home town products—won their first game on the local grounds Saturday, humbling Gulph Mills by the score of 8-3, inaugurating the Main Line League season without unfurling the pennant they earned last year and without ceremony of any kind.

Despite threatening weather, there was a good-sized crowd of rooters on hand to cheer on the boys and the management. (See notes on the game by the sporting editor in another column.)

Some fans went to the game skeptical of the class of ball a purely amateur team could produce—but they left the grounds completely satisfied that Narberth has good chances of duplicating the work of last year's paid team. In fact, some enthusiasts could see the pennant waving over Narberth's field during 1916 long before the first game was over.

Narberth showed unusual speed for so early in the season, and did some excellent base running.

The features of the game by Narberth were the pitching of Gilmore (fanned fifteen and passed but one), the catching of Simpson, the sensational one-handed catch and a timely hit by Manager Walzer, the good work of the veteran "Flick" Stites in covering the first bag and the all-round work of B. Dickie as a talkative coach, as a substitute shortstop, as a pinch hitter and as a base runner. For Gulph Mills, Wheeler and Singleton were the heavy hitters. Score:

(Continued on Third Page)

Do not fail to see Joe Tracey and John Lyons, Keith's headliners, at Elm Hall, May 7 and 8. These boys, thirteen years of age, have remarkable voices of great range and will sing classy songs and execute up-to-the-minute dances.

## FOUND!

A pair of gold eyeglasses. They were picked up at the railroad station, a week ago last Sunday, and may belong to a resident of Narberth, or to some one who was visiting Narberth. The person who found them has just handed them to one of the editors, and the owner may have them by calling at 24 Woodside avenue.

## EDITORIAL NOTES

### "THE LAST CALL"

OUR TOWN will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy"—manuscripts—must reach the editors by 6 P. M. Monday each week.

Every one clean up!

Over in Rutledge the borough Highway Committee conducts clean-up in a thorough manner, even obligating itself to clean vacant lots. It's right, neighbor; for cleaning up of this kind is community business.

What became of the new post office movement? Just as crowded to-day as it was several months ago—more so, in fact!

Have you planted your Japanese cherry tree? Remember, we want to sing the praises of "Narberth in Cherry-blossom time."

The new park will be under way before "Our Town" comes to you again. Who thought it possible one year ago?

What's become of the \$30,000 loan for highway work passed one year ago? Surely, voters do not agree to an appropriation for any other reason than use. And who will say that some portion of \$30,000 could not profitably be spent—now—on, well, let's suggest Wynnewood avenue, Haverford avenue and—what other road needs a few cavities properly filled with a permanent binder-filling? Steam up, Councils, steam up! The "people" want these things done. They have indicated their willingness to pay for them. Why the delay?

### WHAT CAN YOU DO?

Your individual help and co-operation are needed in the important work planned for May 7 and 8. Get rid of the accumulations of discarded personal and household articles that cram the closets, attic, cellar and the numerous out-of-the-way places, occupying space that might be better utilized. It is of vital importance for you to know that such conditions, where they exist, are a constant menace to the health and safety of yourself and your family.

The fly must be swatted in its breeding places—filth and dirt—if this crusade against one of the commonest disease carriers is to mean anything. The mosquito is likewise an active agent of disease, a most annoying pest, and harder to swat than the fly. But once more go to the source of trouble and "Prevent the Mosquito" by filling in the depression where water is likely to remain undisturbed for eight or fourteen days. Eliminate all standing water and you have solved the mosquito problem.

### THE NARBERTH-TO-BE.

Strolling over into Merion last Sunday we wandered in and out the winding Berkeley road, and, so to speak, saw a vision of the Narberth-that-is-to-be. All along Wynnewood road we had noticed the more or less frequent dogwood trees and admired the beauty of the fresh, white blooms. But it was not until we had turned into Berkeley road that we realized the full possibilities of the dogwood—and caught the vision of the Narberth-that-is-to-be. The dogwood trees were everywhere—in full bloom, and spreading their branches and clusters of flowers like great white parasols over the lawns and gardens.

And as we stood, and enjoyed and admired the sight, our thoughts leaped ahead of us—one year, two years, three years—and we saw our own town in cherry blossom time! The trees were in full bloom and Narberth was a place of rare beauty.

And then as a henryford dashed by us we came back to earth. The vision had vanished in an instant, and we were out on Wynnewood road again.

Yes, the picture was gone, but the recollection of it was still with us, and it has remained with us all through the week. And every time we think of it we are reminded of the great good and beauty that can, and will come, of a single idea. A few months ago no one even dreamed of "cherry blossom time in Narberth." To-day, scores of these trees have been planted throughout the borough. A year or two and "cherry blossom time in Narberth" will be a reality.

Such is the possibility of an idea—voiced by an individual and backed up by community effort.

### WHAT OUR BOROUGH OWES TO THE LATE BEN FRANKLIN.

Many years ago there lived in the big city surrounding Broad Street Station a wise man named Benjamin Franklin. In those days, Philadelphia was a very small city, the streets were mainly dirt roads. Some were unevenly paved with round cobblestones. As for cleaning them, if the good housekeeper did not do it herself, it went undone. They did not know dirt was an enemy. One of the most important things Franklin did for his own people and their descendants to to-day, was to teach that dirt was a common enemy, and that it would be good for all to unite and fight against it. It was Franklin who got the people to work for a clean city. He started public street cleaning.

Everybody in Narberth should want clean avenues and well-kept sidewalks. It means a more beautiful borough, and, what is better, it means a more healthful borough.

### IF WE ALL GET TOGETHER.

Editor Our Town:—On my way down to the shore a few days ago I was attracted by a large sign which read, "Chester Wants You—Good schools, good roads, good churches," etc. Immediately I mentally substituted "Narberth Wants You! Good schools, good churches, free library, beautiful park, no flies, no mosquitoes, good roads, no dust!"

Doesn't it sound well? The best of it is we will be able to say truthfully all this, and more, if we continue the fine get-together spirit that is so prominent in our borough affairs just now.

Absolutely nothing is impossible; difficulties may seem mountain high, but we are good climbers. I firmly believe that everything that goes to make Narberth beautiful and healthful is within our reach. Let us keep everlastingly at it, and we will surely overcome the objections of a few, and win to our side those who, through lack of understanding, perhaps, are opposed or indifferent to the spirit of progress.

Narberth, the most beautiful, progressive, healthful, sanitary town in Eastern Pennsylvania. May the day speedily come.

EUGENIE H. BLACKALL.

### A MUSICAL TREAT.

Messrs. Douglass and Mearns, trick pianists and musical artists, will positively appear at Elm Hall, May 7 and 8. This act was secured at great expense. These same artists appeared at the Bellevue-Stratford before the Poor Richard Club on the occasion of the visit of President William H. Taft. In offering this musical act, the Glee Club wishes to announce that this will be a musical treat. The instruments used are the xylophone, musical sleigh bells, musical rattles, organ chimes and four-in-hand bells.

### IN APPRECIATION OF PRINCIPAL MELCHOIR.

It is—or ought to be—one of the functions of "Our Town" to boost everybody and everything in Narberth deserving of it. Right there is seems to me that the organ of the Year-Round Home Town has overlooked a trick, probably because it is human nature not to see the good things nearest us, or at least to take them as a matter of course.

In thinking of the school to-day, it occurred to me that some public expression of appreciation was due, or rather overdue, Mr. Melchoir, our very able, earnest and kindly principal. The school has made real progress under his painstaking supervision. Complaints—if there are any—are mighty scarce. By this I do not mean complaints that apply to matters outside of the principal's jurisdiction or which are within his powers to remedy.

Public sentiment is seemingly a unit in the hope that Mr. Melchoir will continue at the head of the Narberth school. He has won the hearts and confidence of all the children, and, believe me, that is a big factor in his success. Every little while the kids come home with a story of some kindly act on his part—entirely personal and not at all in his line of duty as schoolmaster; sometimes it involves his digging into his jeans, too, and you never hear a peep out of him.

As a dad, I am glad my children attend his school and I congratulate every parent in Narberth that we are fortunate enough to have the right man in the right place.

Pop.

### GETTING READY FOR THE FLOWER SHOW.

(Continued from Page 1)

- Class 20—Best vase sweet peas.
- Class 21—Best vase cornflowers (centaurea).
- Class 22—Best vase dahlias, any color, any number.
- Class 23—Best vase lilies, not less than three stalks.
- Class 24—Best vase larkspur in combination with other flower or flowers.
- Class 25—Best vase field-grown daisies.
- Class 26—Best vase field-grown buttercups.
- Class 27—Best vase field-grown violets.
- Class 28—Best 25 blooms of lily-of-the-valley.
- Class 29—Best vase roses, mixed.
- Class 30—Best arranged basket tea and hybrid roses.
- Class 31—Best arranged basket rambler roses.
- Class 32—Best arranged basket or vase of wild flowers.
- Class 33—Best arranged basket pansies, all colors.
- Class 34—Best vase or bowl hardy Scotch pinks.
- Class 35—Best vase Pyrethrum daisies, all colors.
- Class 36—Most attractive basket or vase of flowers of any kind or number.

(Kindly note that this list of classes varies slightly from the tentative list published several weeks ago in Our Town.)

To assist in the development of plants it is suggested that the use of proper fertilizers should not be overlooked. A mixture of sheep manure, bone meal, and wood ashes dug in about the roots of growing things provides an ideal stimulant to healthy growth. Roses will be particularly grateful for a trowelful of bone-meal at this season of the year and for liquid manure administered at intervals of two or three weeks.

Our garden lovers are expected to make the Flower Show an event to be talked about for months to come. Hours spent in the garden now will add color to the cheek and light to the eye, and the results will be seen when the Flower Show day arrives.

Our Town offers its services for assistance to our gardeners in any way possible. Mr. Stites, chairman of the Flower Show Committee, will be glad to answer all inquiries relating to the show as well as receive suggestions intended to improve the beauty and attractiveness of the exhibits.

Mr. Jack Esher, formerly with the music publishing firm of Watterson, Berlin, Snyder Co., will sing Ervin Berlin's late song hits at Elm Hall, May 7 and 8. Benefit Narberth Base Ball Club. Admission: Children, 15 cents; adults, 25 cents.

### NARBERTH MAN SPEAKS QUITE FRANKLY ABOUT WOMAN SUFFRAGE.

Local commuters were amused, surprised, pleased, startled or provoked, according to their respective viewpoints, last Saturday morning at the railroad station. It was the day of the big suffrage demonstration in Philadelphia, and Narberth women were astride early in the morning campaigning for the vote. Two of them, Mrs. Walter I. Dothard and Mrs. Edwin C. Town, Jr., were responsible for the variety of emotions experienced by our fellow townsmen. They appeared as "news girls" selling the special suffrage edition of The Ardmore Chronicle. The price of the paper was three cents a copy, "but you can give anything you want above three cents," as one of the "newsies" explained. And the Narberth men and women chipped in right generously. The total profits from the morning's work amounted to something over \$13.

Incidentally the two young women had several very amusing experiences. One elderly gentleman, when asked if he would buy a paper, inquired what it was all about—why the special yellow edition? Upon being enlightened on this point, he remarked—rather testily, as may be readily inferred: "Suffrage? Hell no!"

(Editor's Note:—There was a long editorial conference as to whether this emphatic and positive statement of the aforesaid gentleman should be quoted just as he uttered it—word for word; with the final verdict that OUR TOWN stood committed to print all the news, and had no right to tone down what was very evidently sincere indignation. Of course the gentleman might have said: "Suffrage? Hell Yes!"—but he didn't. And with these few words of explanation the reader may pass on.)

Said another man, who, apparently, will not vote for the Suffrage Amendment next November: "You'd better go back home and tend to your babies!"

Outside of these two experiences Mrs. Dothard and Mrs. Town say they had a very pleasant morning, and they are quite proud of the \$13 they earned.

P. S. Second Editor's Note:—We are still wondering whether we should allow retort—sulphurous to stand, but the more we think about it the more we are convinced that the people of Narberth should know all sides of this suffrage question, and OUR TOWN does not intend to stand in the way of any argument or reason that may shed any light on this much mooted question. Besides, we remember those hideous cartoons of the then Governor Pennypacker that were published a few years ago when the attempt was made to muzzle the press. We may be only suburban editors, but we intend to print the news.

### NARBERTH CIVIC ASSOCIATION AFFILIATES WITH SUBURBAN FEDERATION.

A preliminary meeting for the organization of the Suburban Federation, composed of the Civic Associations of Lower Merion and adjoining townships, met in the Board of Directors' room in the Curtis Building, last Friday afternoon.

Edward Bok, president of the Merion Civic Association presided, and the following associations were represented by two or more delegates: the Merion, Narberth and Ardmore Civic Associations, Main Line Citizens' Association (Bryn Mawr) and the Neighborhood Club (Bala-Cynwyd.)

A complete plan of organization was prepared by the delegates to be submitted to their respective organizations for approval. (After this plan has been approved, "Our Town" will publish it in detail.)

The general purpose of this new central body is to promote any project of interest to all communities represented in the Federation.

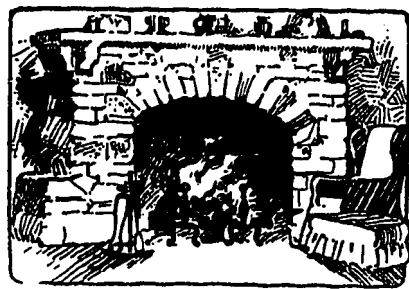

Messrs. Gara and Cole represented the Narberth Association at the conference.

No Standing Water—No Mosquitoes.  
No Mosquitoes—No Malaria.

### Visit the Little White Tea House NARBERTH, PA.

## THE FIRESIDE

By Lady Narberth

Mr. and Mrs. Howard C. Fritsch and children spent Sunday at Tamqua with Mr. Fritsch's mother.

Mr. and Mrs. Robert Dothard are moving into their new home on Wynnewood Road this week.

Mrs. Henry Rose, Woodside avenue, has gone to New York to visit friends for a few days.

The Narberth Branch of the Needlework Guild held its social meeting at the home of Mrs. E. D. Bolich, Iona avenue, Wednesday afternoon.

D. Knickerbacker Boyd, consulting architect, and Robert A. Pope, landscape engineer, for the New Park development, attended the meeting of the Park Development Committee at the Y. M. C. A. last Monday evening.

Miss Maizie Simpson chaperoned a bevy of girls to Barnum & Bailey's circus last Friday afternoon. Those making up the party were Miss Estelle Cohic, hostess; Misses Eleanor Wilson, Ruth Jones, Marion Haws, Hilda Smedley, Augusta Witherow and Madeline McCoy.

F. M. Justice has started a new development on his estate extending from Montgomery avenue to Essex avenue. He has named the new home site Stepney Place.

Mrs. Harris, her grandchild and her daughter, Mrs. Stephen Koronski, of Babylon, L. I., are visiting Mr. and Mrs. Geo. M. Henry, Chestnut avenue.

Dr. C. R. Blackall was knocked down by a horse at Seventeenth and Chestnut streets last week. His friends will be glad to learn he sustained only slight injuries.

Mrs. E. S. Taylor, of Chestnut avenue, has been down to Atlantic City for a visit.

Mr. and Mrs. Stanislaw and Mr. and Mrs. Randolph, of Philadelphia, have come out to Narberth for the summer. They are staying at Miss Wright's.

Miss Ruth E. Prescott is entertaining several of her friends at her Ocean City bungalow over the weekend.

Miss Achsah Wentz entertained the Kappa Sigma Phi last Tuesday at her home on Dudley avenue. Miss Wentz expects to give a recital for her pupils some time this month.

Dr. and Mrs. Harry Hartley, of West Philadelphia, formerly of Narberth, are glad to inform their friends that their little daughter Betty has recovered after a severe case of pneumonia.

Mrs. Clifford T. Moore, of Wynnewood road and Merion avenue, gave a children's party on Saturday in honor of her little daughter, Miss Dorothy Moore. The decorations were spring flowers, the color scheme being yellow, to carry out the spring-like effect. The little guests were Miss Dorothy Bottoms, Miss Vernie Benjamin, Miss Laura Henderson, Miss Marion Bottoms, Miss Katharine Morgan, Miss Dorothy Moore, Miss Thelma Fowler, Miss Margaret Fowler, Aldine K. Siler, Jr., John Henderson, Russell Booth and John Barnes.

### MUSICAL GIRLIES.

Who said Narberth girlies can not sing and dance? We defy the most exacting critics, after seeing this act. Miss Mildred Smith, supported by Hilda Smedley, Augusta Witherow and Margaret and Thelma Fowler, will sing the late song hits and dance some of the latest steps. Gorgeous costumes! Elm Hall, May 7 and 8. Admission, 15 cents and 25 cents.

Don't buy milk where the flies are on the cans or bottles.

News of the Churches

THE PRESBYTERIAN CHURCH.

Rev. John Van Ness, Minister.  
Mother's Day will be celebrated next Sunday morning at the 11 o'clock meeting with special exercises. There will be singing by a chorus of thirty children and also by a chorus of adults. Miss Melchior will give a reading on "Mothers," and the pastor will preach on the theme, "Religion in the Home." A special invitation is extended to parents.

Sabbath School at 10 A. M., preceded by fifteen-minute song service conducted by Prof. Wm. T. Melchior. Our Sunday School orchestra has been increased by the addition of Miss Mary Gara and Miss Helen Wilson with their violins.

Junior congregation at 7 P. M. Leaders, Dorothy Durbin and Edith Humphreys.  
Meeting for worship at 8 P. M., with sermon by the pastor on "Friendship."

Next Monday evening the Men's Club will meet at 7.30. This is the final meeting of the season and a full attendance is requested. Officers will be elected for the ensuing year.

ST. MARGARET'S CHURCH.

Early Mass on Sunday from April 1st to October 31st at 6.30 A. M. From November 1st to March 31st at 7 A. M. Late Mass, 9.30 A. M. throughout the year. Masses on holydays, 6.30 and 8.30 A. M. Weekdays at 8. Evening devotions and other services at regular times.

ALL SAINTS' CHURCH.

Rev. Andrew T. Burke, Rector.  
Sunday services  
8 A. M.—The Holy Communion.  
9.45 A. M.—The Sunday school.  
11 A. M.—Morning Prayer and Sermon.  
4 P. M.—Evening prayer.

MERION MEETING HOUSE.

Montgomery Avenue and Meeting House Lane.  
Merion Meeting House is opened for worship every First-day at 10.30 A. M. Visitors are cordially welcome.

WHAT KIND OF A CHRISTIAN ARE YOU?

Sherlock Holmes is dull reading and a Mark Twain joke is dry compared with the Bible when once a man gets the right idea of it. That's what some of the members of the Narberth Bible Class discovered. When Narberth starts anything it usually makes good and the surrounding country hears about it. The Narberth Bible Class was no exception. One of the surprising discoveries of this class was that there are two kinds of Christians talked about in the New Testament. At the closing session of the class, which was held Monday, May 3, a famous Christian leader came to give a talk on the subject, "How I Can Become the New Kind of Christian."

On the principle that Narberth always wants the best, the Bible Class last week had the man whom D. I. Moody said was the greatest of all Bible students that he knew. This week for the closing session the class had the editor of a paper that a famous British author once said was the best edited paper in the world—Mr. Charles Gallaudet Trumbull, editor of The Sunday School Times, a paper with a world-wide circulation. (When the great English writer said that, "Our Town" had not yet been started.)

Mr. Trumbull showed from the New Testament that it was possible for Christians to live a life of continued victory in all things instead of the up-and-down life that most Christians live. It was a lively and interesting session. Some of the members wanted the class to keep up through the spring months, and all were in favor of continuing the Community Bible Class as a regular feature of Narberth life.

Members of the class and others who are interested in Mr. Trumbull's message of the New Kind of Christian Life may secure a valuable little leaflet written by Mr. Trumbull entitled, "The Life That Wins." Copies can be secured at two cents each, either from The Sunday School Times, 1031 Walnut street, or from Mr. R. C. McQuilkin, 110 Woodside avenue,

Narberth. Another valuable book on this subject can be obtained free of charge. It is called "The Threefold Secret of the Holy Spirit," by Jas. H. McConkey. The book is not sold, but is sent free to those who write to Fred Kelker, Box 216, Harrisburg, Pa.

When you see the announcement of The Narberth Bible Class next fall or winter, get into it. When you "get" the Bible right, nothing else compares with it in interest. Not even tennis or Shakespeare. I'm acquainted with all three.

NARBERTH OPENS BASE BALL SEASON.

(Continued from Page 1)

Overbrook Wins Over R. G. Dun & Co.  
The Overbrook Club won its opening game on the grounds of the Overbrook Heights Field Club, trimming the R. G. Dun & Co. A. A. by the score of 11 to 6.

A large crowd of rooters was present, including a number of prominent men in official and professional life. Ex-Mayor Weaver tossed the first ball, winning the applause of the crowd by a perfect throw to the umpire. The game resembled a cricket match in the first inning, Dun & Co. tallying four runs, but Manager Pat O'Brien sent his nine back at them hard, and four singles and two triples, aided by erratic twirling by Deegan, sent ten players scampering over the rubber before the side was retired.

Wayne, 10; Paoli, 0.

The Wayne Club opened its season by administering a coat of whitewash to the Paoli Men's Club, the final score standing 10 to 0. A large following of the fans from the western end of the line witnessed the game. Frederick M. Treat, vice president of the Board of Commissioners of Radnor township, threw out the first ball. Score:

NOTES OF THE BASE BALL GAME.

We like the amateurs!  
Some speed is to be expected of Narberth as the season progresses.

Good work, Harry! Keep up the good work behind the visiting batter—and pick out a good bat when you stand up before your opponent.

Gilmore was not so "showy" as some who have posed on the local mound, but he plugged right along in a most heady way.

Where was the pennant?

Besides many of the faithful quiet fans and the few riotous rooters, the following notables were noticed on the stands: Fred Rose, president of the Main Line League, accompanied by Count Hisnobski, the famous Russian magician; Charles Humphries, last year's manager and a former Princeton star; Robt. McCoy, president of this year's club; and several of the stars at the recent circus, including the strong man, one of the bears, and one of the donkeys. Coach Towne, of Haverford, and Dr. Hoffman were interested spectators.

Ray Jones was on the job passing out the pasteboards and collecting them—at fifteen cents each or two for a quarter.

Faithful "Flick" Stites was on the job as in former years and held down the first bag in acceptable form. An all-around man is Stites! How's the arm, Flicker?

We missed Count Du Marias and his aide Stokes. Saturday afternoons at 3.30, gentlemen!

And Miss Maizie Simpson deserted our faithful official scorer, Mrs. Charles Humphries, to chaperone a group of girls who went to see the Penn-Princeton game. Next Saturday, Maizie?

Durbin was on the job Saturday, even though Haverford's season is not over.

Bill Dennis and many of his vaudevillians were on the bleachers and an advance agent of the coming show to be given for the benefit of the ball team had his posters around the field. Don't forget to do your part in buying tickets for this benefit!

Why do the girls bring party cases to a ball game?

Not so many cameras working last Saturday as usual. Bring them next week, girls, as there are some good-looking youths on the team.

Hurry up the college and school season's end. We shall need Ensinger before long.

Vernon Fleck was chosen captain of this year's team.

We missed Turner. We need his pep in the infield.

No tonic and no peanuts—no nothing!

BOTH DAVIS BOYS WINNING HONORS IN SCHOOL BASE BALL.

Lardie Davis, known as a star basket ball player of the Lower Merion High School and the champion Narberth team, was elected captain of the Red and White base ball team at an election held in the school gymnasium last Thursday afternoon.

Lardie is one of Lower Merion's star all-around athletes and played an exceptionally good game against Episcopal Academy on Tuesday, when he annexed three runs and fielded 14 chances with a lone error. It is thought that he will be a big aid to the team's peppy coach, Cav Weller. Eugene Davis, who also played star basket ball for Narberth, is doing great work on the Central High School base ball team.

Both these boys should prove valuable assets to the local Main Line League team as soon as the school season is ended.

BOWLING AT THE Y. M. C. A. COMMUNITY CENTER.

Bowling is the sport that is receiving considerable attention at the Y. M. C. A. Community Center now. Our team had bowled two matches with the Paoli Men's Club, won the match on our alleys and lost the one on their alleys. It was decided to bowl the "rubber" on neutral alleys—Ardmore Y. M. C. A.

Last Monday, April 26, they met, and their score is as follows:

| Narberth Y. M. C. A. |     |     |
|----------------------|-----|-----|
| Jahnke . . . . .     | 169 | 102 |
| Rainier . . . . .    | 190 | 144 |
| Ward . . . . .       | 155 | 139 |
| Scanlin . . . . .    | 187 | 187 |
| Savill . . . . .     | 208 | 197 |
|                      | 909 | 769 |
| Paoli Men's Club.    |     |     |
| Mathias . . . . .    | 187 | 157 |
| Hatch . . . . .      | 119 | 143 |
| Thompson . . . . .   | 119 | 102 |
| Tyler . . . . .      | 124 | 134 |
| Hanley . . . . .     | 166 | 199 |
| Lann . . . . .       | 153 | 153 |
| Bowers . . . . .     | 140 | 140 |
|                      | 715 | 745 |

Narberth took all three games. Take notice of the first game. Narberth bowled a score of 909. That's going some, and we are proud of any team that rolls a score like that.

"Two-Man Tournament."  
The "Two-Man Tournament" has been causing considerable interest on the local alleys. Messrs. Savill and Jefferies are leading with an average of 317 1-3 for twelve games. Final scores will be given next week.

ORCHESTRA GIVES FINE CONCERT.

Owing to the unfortunate shower that came just at the wrong time, the concert given Tuesday of last week in Elm Hall by the orchestra of the Central Branch of the Philadelphia Y. M. C. A. was rather poorly attended. Those who did attend, however, about one hundred in number, heard a fine program and showed their thorough appreciation by hearty applause.

Mr. J. W. F. Leman, the well-known conductor, who is a member of the Philadelphia Symphony Orchestra, fully demonstrated his ability in bringing out the best that is in the material under his direction. The orchestral numbers, mostly of considerable difficulty, were given with precision and due attention to shading.

The soloists were likewise given a very cordial reception. Miss Jeanette Batten's beautiful soprano voice was heard to excellent advantage in a well selected group of songs, including Massenet's lovely "Elegie," with a violin obligator by Miss Dorothy Bible. Miss Bible, who is the first violin in the Philadelphia Ladies' String Quartette, played the Gounod-Wieniawski Faust Fantasy in beautiful style. She executed its technical difficulties with ease, and produced a very pleasing, full tone.

Miss Anna L. Everhart, the accomplished and popular pianist of the Y. M. C. A. orchestra, played as a solo Chopin's Fantasie-Impromptu. Miss Everhart's playing is characterized by great clearness and purity of tone, and her interpretation of this beautiful and difficult composition was received with deserved enthusiasm and applause.

Many expressions of commendation for the very excellent work of the orchestra were heard, and the hope was expressed that they would come again under more favorable circumstances. The concert was given under the auspices of the Ladies' Aid Society of the Narberth Presbyterian Church.

Y. M. C. A. DIRECTORS MEET.

The monthly meeting of the Board of Directors of the Y. M. C. A. was held in the association building Monday night.

E. E. Seaver, chairman of the Board of Managers, among other details gave the following two summaries in his report to the directors:

Attendance and Membership.

Total attendance for April.... 3,804  
Average day attendance for April ..... 64  
Average night attendance for April ..... 84  
Largest day attendance ..... 94  
Largest night attendance ..... 352  
New members—regular ..... 3  
New members—Boys' 10c a week plan ..... 1  
New members—Contributing ..... 2  
Renewals ..... 2

Game Room Receipts.

Gross receipts for April.....\$147.73  
Expenditures:  
Pin Boys .....\$24.30  
Electric Light Fixtures 7.00  
Repairs to Bowling Alleys ..... 6.35  
Lights ..... 8.30  
Total . . . . . 45.95

Net receipts for the month

April .....\$101.78  
The Board of Managers are well pleased with the support given the game room; but want it thoroughly understood that not one cent of this money is available for use in maintaining the work of the building—all receipts must go to pay off bonds on the game room equipment. Also the money received for rent of stores goes to pay the interest on mortgage, the water, etc. The only money available for the real work, salaries, etc., must come from membership and contributions. Have you done your share as a citizen to help this community center onward to success? If not, send in your check to-night.

**Get the Answer—Telephone**

Four o'clock finds the average business man with two hours work to do, and a strong desire for "home."

Don't let the closing hour catch you with a pile of correspondence to be disposed of.

Telephone! Across the county, or the State, or the country. Don't wait half a week for the answer that's important! It costs less to telephone, both in the short and the long run.

What's ten cents or fifty when the immediate answer is worth ten dollars or fifty?

Don't allow dirt in your house. Look in the corners, behind the doors and furniture, under stairs and beds. Remove the cuspidors. In brief, keep the house clean.  
Don't allow flies near food, especially milk.  
Don't forget—no dirt—no flies.

**NARBERTH FOLKS HEAR NOTED FINNISH WOMAN.**

(Continued from Page 1)  
a settlement of the issues raised by the war. The United States will naturally have a predominating voice in the arbitration of claims, and in readjusting the status of the contending powers. It will make a great difference whether this readjustment is as among powers, or between nations. It should be among nations, and the United States should charge itself with the duty of seeing that justice is done to the smaller nations that do not rank as "powers," and which are not strong enough to secure for themselves by force what they are entitled to by right.

Madame Malmberg is a most fascinating speaker. Her thorough understanding of the subject, her clear and logical arguments, her natural, unaffected gestures and evident sincerity carry conviction with them. Mrs. James D. Winsor, leader of The Woman Suffrage Party in Lower Merion Township, and "Mother" of Ardmore free playgrounds, closed the meeting with an eloquent appeal to the men to "get off the fence" and give their financial aid and votes to the cause of Woman Suffrage.

Many expressions of approval were heard from the men present, and there is no doubt that great gains will be made for the suffragists as the result of this address.

After the presentation of handsome bouquets to the speakers of the evening, the guests were invited by Miss Gibson to partake of refreshments on the lawn. The grounds were beautifully decorated with lanterns, and the music of an orchestra was an added pleasure.

Many Guests From Narberth.  
Among Narberth's guests were Mr. and Mrs. Jacoby and the Misses Jacoby, Dr. and Mrs. Edwin C. Town, Mr. and Mrs. Fletcher Stites, Mrs. James Barrie, Mrs. A. C. Jones, Mrs. George Sheldon, Mr. Harold Sheldon.

Augustus J. Loos.

**DENBY AND HER CREW.**

The musical sextette of the Y. M. C. A. Glee Club will offer one of the most pleasing acts ever seen at the local theatres. Miss Martha Denby, Germantown's popular soprano, will appear in Narberth by special request. Miss Denby has a voice of exceptionally fine range and she will appear at her best singing the big musical hit "Maurice Costello." Miss Denby has offered her services to the Glee Club and we are sure that the Glee Club's followers will have an unusually big treat. Miss Denby will be assisted by the cream of Narberth's singers, including Mr. W. W. Dennis, the popular musical director of the Glee Club; Mr. Irwin Ward, Mr. Vernon V. Fleck, Mr. Watson Ewings, Mr. William Durbin and Mr. Earle Smith. This act has been arranged with great care, and, while the principals who compose the act are amateurs, still they have that professional air that tends to please and delight the most exacting audience. This act may be seen at Elm Hall, Friday and Saturday evenings, May 7 and 8, in connection with the vaudeville show to be given for the Narberth Y. M. C. A. Base Ball team. The admission will be 15 and 25 cents. Tickets for the show may be had from H. E. Davis, at his store on Haverford avenue.

Many varieties of Australian wood are of such singular beauty and are so admirably fitted for cabinetmaking that they are in great demand for that purpose.

that we must bow to Bonnie Scotland for her splendid entertainers. See Scotland's wee wee laddie at the vaudeville show, May 7 and 8. Those of us who have seen Mr. Lupton before will welcome him again to our hamlet and those who have never seen him have a great big treat coming.

Don't buy foodstuffs where flies are allowed.
